

# Bleed Artwork To Edge

Approximate Size of Handtowel

Safe Artwork Area

## 16" by 28" Handtowel

**"EACH PRINT IS A ONE OF A KIND, No two are ever the same"**

**NOTE: We Strongly Recommend Borderless Artwork.**

In an effort to keep costs low and production time fast  
we print on items that have already been sewn.

All edges on a sewn product vary. If you do choose to use  
Artwork with a border, the border WILL be different in widths.
