

Platten 16" x 20"

ALL ART MUST BE INSIDE THIS 16"x20" BOX

3.5" from edge of platten

SUBLIMATION INSTRUCTIONS (Please Read):

- Set up image in the "Place Image Here" layer
(one per page) in the location desired within the pink outlined box,
exactly how it needs to appear on the end product.

*******DO NOT MIRROR IMAGE*******

(Our dye sublimation printer automatically mirrors images before printing.)

- **UNLOCK and DELETE** the TEMPLATE layer

- In order to stream line the order/printing process we
MUST have the artwork for Dye Sub Transfers to be
saved as a **JPG** (150dpi or higher)

(Other file formats will not be accepted as they do not RIP in our software and will
be subject to art resubmission or additional art charges at customer expense)

Templates are located at
