## DARK PRINTS Overview:

Printing on DARK colored fabric and products has always been a challenge for traditional printing methods, but we have your solution! We can help you decorate almost all dark colored fabrics, such as cotton, polyester, nylon, and spandex, with bright, vibrant color prints up to 10.5" x 16.5". We also offer printing on just about any other dark colored surface such as Cotton, Polyester, Blends, Nylon, Spandex, Wood, Coffee mugs, Glass, Thick muti color boozies, Baseball hats, Tumblers and MORE!

## Product Highlights:

- Full Color Prints
- White Inks!

- Large Print Area

## **Product Details/Information:**

We now have methods that allow us to be able to print on dark products, not just cotton, that gives great print results. Our Dark Prints are great for customers requiring only a few printed items such as shirts and mugs. With Dye Sublimation we were never able to print on dark colored fabric, but now we can with ease!
