Product Details/Information:

NOTICE: Dye Sublimated products on polyester can only be printed on WHITE or LIGHT COLORED fabric as the inks are translucent. Dye Sublimation is not able to print on black or dark colors. If you are looking for dark colored shirts we can do an ALL OVER PRINT on polyester, making your shirt any color you wish, or we offer DTG which is a great option on Cotton fabric.

Skprint.com offers all over art shirt to those who want to use their personal artworks as graphic designs for their garments or t-shirts. Such product will always be an excellent choice for someone who wants to be unique and special in the eyes of other people at all times. It was designed to promote dye sub printing and to surpass the quality of all graphic designs that can be printed on a t-shirt through silk-screen printing. It exhibits great innovation and we usually perform it with the use of our most advanced dye sub printing kits that can never be found in the other famous providers of dye sub printing service all over the country.
