## Towels Overview:

If you are at the beach or in the bath, you need a way to dry off. Our customizable towels are a great way to get dry in style! We offer 3 different styles of our towels, depending on your needs. Our A) 100% Polyester Towel (GOOD) is a lightweight towel. The B) 100%

Polyester Plush (BETTER) towel is our most popular as it is very soft and absorbent. The towel has the feel of a soft blanket! The C) 2 Sided: Cotton/Poly (BEST) towel offers the best of both worlds, cotton on one side and Polyester on the other. All of our towels can be printed with full bleed.

### Product Highlights:

- 8 Different Towels
- Full Bleed Available

### Product Details/Information:

The towels we offer can be loaded with artwork from edge to edge. The (A) towel is a 28x54 inch towel and has more of a terrycloth type feel to it than our others. This is great for those with a budget. Our (B) and (C) towels are larger, 30x60 and are very thick and absorbent. All of our towels are white.

**NOTICE: Printing is only on the Polyester side!**
